Amendment No. 2
File No. JM-1940

Hughes Aircraft Company
Florence Avenue and Teale Street
Culver City, California

27 NOV 1963

Gentlemen:

1. This document constitutes Amendment No. 2 to Contract No. AF33(657)-10807 between the parties hereto and said contract, as amended, is further amended as hereinafter set forth.

2. Pursuant to the clause of the General Provisions hereof entitled "CHANGES" the Government has directed and the Contractor shall comply with certain changes and revisions to the work scope set forth in Exhibit "A" as modified by Appendix I to Amendment 1. Said changes and revisions are as set forth herein below and shall be accomplished at no change in Estimated Cost and Fixed Fee hereunder:

Exhibit "A", STATEMENT OF WORK, as amended is further amended as follows:

1. Revise Item II to read as follows:

"Item II. The Contractor shall provide engineering, analytical and computing services as required for continuation of probability of mission success studies based on the results of Item I hereof. Such studies shall take into account modified performance parameters and greater vectoring errors than those considered under Item I and shall include a re-evaluation of armament capability.

Launch zones shall be computed and mission failure analyses shall be conducted. Results shall be reported as they become available. A final report shall be submitted to the Procuring Agency 9 October 1963."

2. Revise Item III to read as follows:

"Item III. The Contractor shall provide engineering, analytical and computing services as required to conduct an analysis of emergency modes. The analysis shall cover
